- Begeisterung für Personalthemen
- idealerweise EDV-Kenntnisse (Office)
- ausgeprägte kommunikative Fähigkeiten
- aufgeschlossen und dienstleistungsorientiert

### We offer

- interessante und abwechslungsreiche Aufgaben im Personalwesen der größten Arbeitgeberin der Region Göttingen mit vielfältigen Möglichkeiten
- ein kollegiales, teamorientiertes Umfeld
- Gesundheit und Sport gefördert durch ein ausgezeichnetes betriebliches Gesundheitsmanagement

We look forward to receiving your application!

The University Medical Center Göttingen (UMG) unites the Medical Faculty of Georg-August University and the University Hospital in an integration model. With over 9,700 employees, the UMG and its subsidiaries are one of the largest employers in the region. More than 60 clinics, institutes and departments stand for high-quality patient care, excellent research and modern teaching.

Göttingen as a city of science is located in the center of Germany and the University Medical Center Göttingen is integrated into an attractive network of university and non-university scientific institutions.

Our goal as University Medical Center Göttingen is professional equality for all genders. We strive to equalize the gender ratio in areas where there is underrepresentation. The University Medical Center Göttingen is particularly committed to the professional participation of severely disabled people and therefore welcomes applications from severely disabled people. In the case of equal suitability, applications from severely disabled persons will be given preferential consideration in accordance with the relevant regulations. We kindly ask you to indicate a disability/equal status in your letter of application in order to safeguard your interests.
