

Graduate Analyst—Economics

Locations: Berlin or Hamburg

Please note you may only apply for one position with us, so take the time to consider the location and Centre of Excellence.

Before applying, please ensure to check our FAQ for important information about eligibility and the application process.

We strongly believe in the positive potential of AI and actively support its responsible use in the workplace. However, applications that use AI to generate a cover letter will be rejected, and the use of AI during any interviews or written exams will also result in rejection.

Your role in the team

- Collaborate with colleagues and clients to resolve complex economics issues.
- Conduct empirical and quantitative analysis in Excel, Stata, R and/or Python.
- Write reports, presentations and articles, independently or in conjunction with others.

- An excellent academic record with an undergraduate degree or postgraduate degree (desirable).
- Strong problem-solving abilities and analytical and communication skills.
- Fluency in spoken and written English. An additional European language is desirable, and is a requirement for those based in offices other than Brussels, London or Oxford.
- Previous experience of producing insights and providing recommendations within a client-facing context (advantageous).
- A collaborative team player approach.
- Knowledge of programming languages such as Stata and/or R (desirable).

What we can offer you

- A highly competitive salary and bonus package with comprehensive benefits.
- An opportunity to make an impact and shape the economic landscape by working with regulators, state departments, competition authorities, law firms and other private clients and stakeholders.
- A supportive, multicultural work environment, with the option of employee mobility.
- A collaborative working environment, with client exposure from day one.
- The opportunity to work with some of the brightest and most experienced minds in the industry.
- A structured career path, with ongoing training, mentorship and development opportunities to help you grow.
- A commitment to fostering an inclusive workplace where diversity is celebrated and everyone is empowered to contribute.

Oxera is an equal opportunities employer and values diversity at all levels of the organisation. We encourage applications from all qualified candidates regardless of race, gender, disability, religion/belief, sexual orientation or age.
