

# GAME TESTER + LIONBRIDGE

## GERMAN VOICES NEEDED!

**Are you a fluent German speaker? Do you have a knack for expressing emotions through your voice? We have an exciting opportunity just for you!**

**Lionbridge** is looking for German speakers to join a project that involves recording sentences while expressing various emotions such as sadness, joy, anger, and other.

This task can be completed using a PC or a smartphone microphone, and it requires no background noise to ensure high-quality recordings. The voices will be used to train AI systems to understand human emotions.

### **What you bring:**

- **German** native speaker.
- **18 years or older.**
- Ability to express emotions effectively when reading sentences in German.
- Sufficient level of **English** to understand basic instructions and navigate our systems.
- Reliable internet connection and a quiet environment to record yourself without background noise.

### **What we bring:**

- **Flexible hours:** Enjoy the freedom to work when and where it suits you best.
- **Attractive and fast payment:** Earn money in an interesting and creative environment.
- **Contribute to an innovative project:** Help improve technologies such as speech recognition and artificial intelligence.
- **No previous experience required:** Ideal for anyone who enjoys speaking and expressing themselves.

### **Registration and Payment Process:**

- Candidates need to register via the **Game Tester Platform** (it is not a game-testing project; the platform is used to facilitate the task): <https://gametester.gg/join/metatts-other/66f550f13f75efdff4ad7304>
- Each completed task will be paid **240 USD**.
- Payment is executed directly through the **Game Tester Platform**.
- All details are available upon the registration.

### **INTERESTED? APPLY NOW!**
