

Discovery Day – November 28th & 29th, 2024 (277121)

Ready to explore, break barriers, and discover more? We know you've got big plans – so do we! Our colleagues across the globe love innovating with science and technology to enrich people's lives with our solutions in Healthcare, Life Science, and Electronics. Together, we dream big and are passionate about caring for our rich mix of people, customers, patients, and planet. That's why we are always looking for curious minds that see themselves imagining the unimageable with us.

What is the Merck Discovery Day?:

The Discovery Day addresses students from various fields of study, such as natural sciences, economics and engineering. Ideal candidates would be in the mid to end stages of their master's studies or Ph.D. During this two-day event you can get authentic insights from our employees, benefit from great networking opportunities and explore your potential future position. Furthermore, you can work on real Merck projects in a dynamic environment.

Your application:

To apply for the Discovery Day, please submit your CV in English, which should highlight your academic achievements and demonstrate your enthusiasm and interest in science and technology. No additional documents are required. Application deadline is **October 5th, 2024**. Please note that feedback may not be provided before the official end of the application phase.

While applying through our system, you can prioritize which function you are most interested in. You have the following options: **Inhouse Consulting, Finance, Strategy (Healthcare), Supply Chain / Manufacturing & Operations (Healthcare & Life Science), R&D Electronics, Pharmaceuticals, Human Resources**

What we offer: We are curious minds that come from a broad range of backgrounds, perspectives, and life experiences. We celebrate all dimensions of diversity and believe that it drives excellence and innovation, strengthening our ability to lead in science and technology.

We are committed to creating access and opportunities for all to develop and grow at your own pace. Join us in building a culture of inclusion and belonging that impacts millions and empowers everyone to work their magic and champion human progress!
