

STEM Talent Days

Your Start into Consulting

Do you want to redefine what's possible?

Join us for an exclusive career event to discover the intersection of energy, strategy, and impact. Prove your problem solving skills in the case study and excell our recruiting day to turn your ambition into a job offer!

March 18 - 20, 2026

Landhotel Voshövel

What's in it for you?

- **On-site interviews:**
Offering you the opportunity to walk away with a job offer on the last day of the event.
- **Personalized feedback & coaching:**
After completing our consulting training and working through an individual and joint case, you will receive personalized feedback and tailored tips on how to shine in your consulting interviews.
- **Build meaningful connections:**
Network in a relaxed setting with consultants, peers, and leaders.

Apply Now!

Application ends on February 22, 2026

All expenses related to the event will be reimbursed.
