WARM-UP WEEK - STELLENWERK JOB FAIR  
10 TO 18 JUNE 2025

Warm-Up  
Week

## COUNSELING

### ➤ Career Counseling for master's students (MIN För Hamburg)

Are you a student at University of Hamburg and would like to explore possible career paths for yourself? Would you like to make the most of the upcoming stellenwerk job fair and boost your career? Book a counseling session with the MIN För Hamburg project team to receive some guidance on your career plans and how to realize them.

**Book your slot:** <https://terminplaner6.dfn.de/b/a50f33f0f5aea93e7fc2e3eb4db62ec6-1197621>

### ➤ Career Counseling for doctoral researchers (HRA)

Are you about to finish your doctorate and wondering what's going to be next? Our HRA career counseling provides you with the support you need to strategically and proactively plan your next steps - whether in academia or in other professional fields. In a one-on-one session, we help you get started, make informed decisions, and consider your individual priorities.

**Book your slot:** <https://terminplaner6.dfn.de/en/b/4d4bf94c0f9b5474433c1a2b45a8b08b-1201892>

### ➤ Counseling for prospective doctoral researchers (HRA)

Are you about to complete your master's degree and interested in continuing your academic career in Hamburg? Our HRA counseling service for prospective doctoral candidates will help you explore key aspects of the decision to start a doctorate. In a one-on-one session, you will have the opportunity to ask your individual questions and plan the first steps for a successful transition.

**Book your slot:** <https://terminplaner6.dfn.de/en/b/eeae7d7eafa5e4846896c74d19e85628-1200511>

### ➤ CV Check (Career & Qualification Team)

Are you about to apply for a job and uncertain if your CV is up to scratch? The university's Career & Qualification Team provides feedback to undergraduate and postgraduate students on how to improve your CV. No appointment needed – just submit your CV via the online form and receive a commented version with valuable feedback within 7 workdays.

**Submit your documents:** <https://www.uni-hamburg.de/career-center/beratung/lebenslauf-check.html>

WARM-UP WEEK - STELLENWERK JOB FAIR  
10 TO 18 JUNE 2025

Warm-Up  
Week

## INFO SESSIONS – TOOLS AND TIPS

### ➤ Unlock the Power of Networking: Build Connections for Your Future

Dive into the world of networking and discover why building relationships is crucial in both academic and professional settings. Discover what networking truly means and how it can propel you toward achieving your career aspirations. We will guide you in customizing your networking strategies to authentically reflect your personality, ensuring that you make meaningful connections. As a valuable starting point, we'll explore the alumni network of the University of Hamburg, highlighting how you can leverage this resource to expand your professional horizons. There will be hands-on and AI supported exercises and you will gain practical tips to effectively build and nurture your own networks in Germany and beyond.

Register here: <https://www.uhh-join.uni-hamburg.de/de/reihe.html?246>

10. Juni | 17:30-19:00 (online)

### ➤ How to Job Fair

Have you ever wondered what exactly to do on a job fair? How to make the most of it? This short online workshop will provide you with some insights on how job fair works, what the present companies are looking for, and how you can prepare yourself for the upcoming stellenwerk job fair.

11. Juni | 16:00-17:30 (online)

### ➤ Career Planning After Your Doctorate – Get Started!

When should you start thinking about the time "after"? How do you plan your next steps? What is important to consider? This workshop will encourage you to approach this topic with confidence and will help you to plan in a timely and strategic way. Join us for a deep dive into the topic of "transferable skills" and learn how to translate the competencies you have acquired during your academic career into new fields of work. Based on this, you will work on your profile and CV and develop ideas on how to present your skills effectively.

13. Juni | 09:00-12:30 (in person)

### ➤ Starting your Doctoral Journey in Hamburg: Essential Information and Helpful Tips

The decision to start a doctoral project comes with many questions: What paths lead to a doctorate at Hamburg's higher education institutions and what kind of doctorate is right for me? How do I choose a topic and a supervisor? Where do I apply for a position or where can I get funding for my project? This information event is designed for international master's students interested in pursuing doctoral research in Hamburg and who would like to plan their next steps in good time. You will learn more about the requirements, the doctoral process and the necessary organization.
